Dear Guests of St. Paul Parish School,

Thank you for joining us for the 21st annual St. Paul Parish School Auction, the “Diamond Jubilee”. We are proud to celebrate 60 years of Catholic education in the greater Eugene-Springfield community this evening.

Guided by the leadership and vision of Monsignor Edmund Murnane and St. Paul Parishioners, we have been able to provide students with a quality Catholic education since 1956. The mission of St. Paul Parish School is to provide a Catholic education fostering excellence through the spiritual, intellectual, social and physical development of each student in a safe and nurturing environment.

Throughout the past 60 years, many people have left an imprint of their time, talents, and treasure at our school. Because of you and these past supporters, we can continue the legacy of Catholic education for those that will be here 60 years from now. It is with heartfelt thanks that we acknowledge all of our volunteers, donors, sponsors, and supporters that have helped us celebrate our amazing school tonight.

Again, thank you for continuing the legacy of St. Paul Parish School. We hope that you enjoy the evening, know how appreciative we are, and remember fondly the children that will benefit by your presence and generosity this evening.

General Auction Rules

Bidder Identification

Each attendee has been assigned a bid card number to be used for all bidding. This bid number is your account number during the auction. Your account must be closed at the finance table at the end of the evening.

Liability

All sales are final. Reservations for trips and/or accommodations must be arranged with the donor unless otherwise specified. The St. Paul Parish School Auction Committee has endeavored to describe items correctly, but all goods and services are sold "as is." St. Paul Parish School and the St. Paul Auction Committee neither warrants nor represents, and shall not be responsible for the correctness of descriptions, genuineness, authorship, or condition of items offered. All items sold at the auction are to be undertaken at the sole risk of the purchaser. St. Paul Parish School and the St. Paul Auction Committee are not liable or responsible in any way for the loss, injury, or damage to (or in respect to) any person or property. Auction items are non-transferable without consent from the donor.

Item values indicated are estimates only and are not warranted by St. Paul Parish School or the St. Paul Auction Committee for tax or other purposes. Claims for defects or failure to deliver a benefit or item bid upon must be brought against the donor, not against St. Paul Parish School or the St. Paul School Auction Committee.

Drawing

One lucky winner will be drawn just prior to the start of the live auction. For \$100, someone will win their choice of a tuition voucher, or an item from our ORAL Auction Packages. Only 99 chances will be sold! Purchase as many chances as you like prior to the salad auction.

Silent Auction

The silent auction opens at 5:30 p.m. All silent auction items have bid sheets nearby. If you wish to bid on an item, write your name and bid number on the bid sheet. You may bid on each item as often as you wish.

At the close of each silent auction section, the person who placed the last bid within the time restriction, at the minimum raise on the bid sheet, will be deemed the purchaser of the item.

Oral Auction

Each person will be assigned a bid number at the registration table. The auctioneer will seek verbal bids on oral auction items and will determine the winning bidder. The cashier will record the winning bidder's number and amount. (Your bid number serves as your account number.)

Certificates for goods and services as well as the actual items can be picked up in the school gym or finance room.

*** Unless otherwise specified, ALL AUCTION PACKAGES, Silent and Oral, expire October 22, 2017***

Payment

St. Paul Parish School utilizes Greater Giving to process credit card orders. This serves to accelerate the checkout process at the end of the evening. During registration, you have the option of running your credit or debit card through the Greater Giving terminals. When you are ready to leave, proceed to express checkout and review your charges. If you have purchased any auction items, you then take your receipt to that distribution area. Greater Giving accepts Mastercard, Visa, Discover, and American express.
